Ministry of the Environment, Conservation and Parks

Load Refusal Report

Note: This form is for view and print only.

Instructions

Use of this form is only permitted if the Director has approved a request to satisfy manifesting requirements by using a paper document in accordance with section 27.1 of Regulation 347.

This form may be used to satisfy the requirement to submit refusal report information under sections 27 and 27.1 of Regulation 347.

For additional information about manifesting, please see the manual available at https://www.ontario.ca/page/hazardous-waste-management-business-and-industry.

1. Original receiver/consignee completes form, ensuring that the information on it and all copies is printed legibly.
2. Original receiver retains one copy and provides a copy of the load refusal report to the following:
   - Generator/consignor
   - Carrier
   - Ministry
