Section 3 – Collection and Use of Personal Information

Your personal information on this form and in all other communications related to the pre-apprenticeship program will be used by MLITSD to administer Ontario's pre-apprenticeship program. This can include your formal enrolment with MLITSD as a current pre-apprenticeship program participant, providing financial assistance to you and/or your service provider, evaluating, monitoring and auditing your service provider's delivery of the program, and conducting inspections and investigations under the *Building Opportunities in the Skilled Trades Act, 2021* (BOSTA). MLITSD will collect relevant personal information directly from you and indirectly from, as applicable, your school board, employer, sponsor, training institution, Employment Ontario (EO) service provider, Skilled Trades Ontario (STO) and/or Canada for these purposes and may also disclose your personal information to these organizations. MLITSD may use the services of other Ontario ministries, contractors and auditors to administer the pre-apprenticeship program. You may be contacted to request your voluntary participation in surveys and public relations campaigns related to your pre-apprenticeship training.

The pre-apprenticeship program is funded in part by the Workforce Development Agreement (WDA) and the Labour Market Development Agreement (LMDA) between Canada and Ontario. Under these agreements, MLITSD is required to collect your personal information, including your social insurance number, to provide reports to Canada to allow it to monitor and assess the Employment Insurance Program under s. 3 of the *Employment Insurance Act* (EIA) and to track the progress of all clients participating in programs and services funded under these agreements. Information you provide on education level, immigration status, Employment Insurance eligibility, Francophone status and prior participation in special apprenticeship programs helps design policies and programs to support apprenticeship completions, and better meet reporting requirements under the Canada-Ontario WDA.

STO is responsible for administering apprenticeship programs under the BOSTA. Participation and progress in an MLITSD-approved pre-apprenticeship training program may be relevant to assessing your eligibility to register as an apprentice and/or your progress in an apprenticeship program. If you apply to be a registered apprentice under the BOSTA, MLITSD may disclose your personal information, including your contact information, to STO under s. 62 and 63 of the Building Opportunities in the *Skilled Trades Act, 2021* (BOSTA) when doing so is necessary for STO to carry out its responsibilities related to apprenticeship program administration.

MLITSD may also disclose your personal information to:

- any person in accordance with s. 63(5) of the BOSTA; and
- Statistics Canada, if required under s. 13 of the *Statistics Act*.

Your personal information is collected under the authority of s. 62 of the BOSTA; s. 76.29 of the Employment Insurance Regulations, ss. 34(1) and 36(1) of the *Department of Human Resources and Skills Development Act*, s. 8 of the *Privacy Act*, and s. 10.1 of the *Financial Administration Act*, and because it is necessary to the proper administration of the WDA and the LMDA.

Questions about the collection, use and disclosure of your personal information may be addressed to the Manager, Employment Ontario Contact Centre, Ministry of Labour, Immigration, Training and Skills Development, 33 Bloor St E, 2nd Floor, Toronto ON M7A 2S3, 1-800-387-5656 toll-free; 416-326-5656 in Toronto; TTY 1-866-533-6339.
