Introduction

The Community Sport and Recreation Infrastructure Fund (**CSRIF**) is a \$200 million capital funding program delivered by the Ministry of Sport (**the Ministry**) to revitalize existing community sport and recreation infrastructure and support the construction of new facilities across the province.

The CSRIF will be delivered over three years (2024-25 to 2026-27) through two streams:

- **Stream 1:** Repair and Rehabilitation
- **Stream 2:** New Builds/Signature New Builds

This guide provides instructions on how to apply for **Stream 2**. **Please review it in detail before applying.**

For instructions on how to apply for **Stream 1: Repair and Rehabilitation**, please see [the program guidelines for Stream 1](#).

Program Overview

The purpose of Stream 2 is to invest in new, transformative community sport and recreation infrastructure, including assets that do not currently exist in a community or the replacement of existing assets that have reached the end of their lifespan.

Eligible applicants include:

- Municipalities
- Local services boards
- Not-for-profit organizations
- Indigenous communities and organizations
- For-profit organizations

Please refer to the [Eligibility Requirements](#) section of this document for full details on eligibility criteria.

Eligible applicants may apply to the Ministry under Stream 2 for project funding up to \$10 million to support projects that will result in building new or replacing existing community sport and recreation facilities. CSRIF is a cost-sharing program and the provincial contribution will vary based on the eligible applicant and project type. Please refer to the [Funding Amounts and Terms](#) section of this document for more details.

Approved projects must be completed, with all eligible project expenses incurred, no later than March 31, 2027.

Eligible applicants can submit only **one application** under Stream 2.

Applications for Stream 2 are accepted on an ongoing basis until funding has been fully allocated.

Please note that there is only one application intake for this program.

Applications must be submitted through Transfer Payment Ontario (**TPON**). Incomplete applications will not be accepted.

The CSRIF is a discretionary and non-entitlement program, and there is no guarantee of funding. There is no appeal process for unsuccessful applicants to the program.

Program Objectives

The CSRIF aims to meet community need and improve the capacity of municipalities, local services boards, not-for-profit organizations and Indigenous organizations and communities, and for-profit organizations in Ontario that support the delivery of community sport and recreation programming.

The CSRIF aims to create local jobs, strengthen and enliven communities, provide Ontarians with opportunities to participate in sport and recreation activities, and support the health and well-being of children, families and seniors across Ontario. In addition, the CSRIF will invest in major sport and recreation infrastructure that will lead to more opportunities to host provincial, national, and international sporting events.

Eligibility Requirements

Eligible Applicants

In order to be eligible to apply to Stream 2, an applicant must meet **all** of the following 3 criteria:

- The applicant operates or manages a sport or recreation facility/space or other community facility/space that offers sport or recreation programming.
- The applicant owns or has a long-term lease agreement for the community facility/space or land and has the necessary authority or permission to undertake the project.

- The applicant must be one of the following:
 - A municipality in Ontario.
 - A local services board in Ontario.
 - A not-for-profit organization that has been incorporated federally or provincially for at least one year as of the date of application submission, and that has a head office in the Province of Ontario.
 - An Indigenous organization or community that:
 - is a legal entity (has been established by or under legislation, has been federally or provincially incorporated as a not-for-profit organization, is a First Nations community); and
 - is one of the following:
 - a First Nations band located in Ontario;
 - a local, regional or provincial organization, located in Ontario, established to represent a First Nation, Inuit or Métis people or group of First Nations, Inuit or Métis peoples; or
 - an Indigenous-led service provider located in Ontario.

Partnership Applications

Eligible applicants can partner with other eligible and/or ineligible applicants on CSRIF projects. Partnership applications for this program will require formal written agreements to be in place between the organizations involved, and those agreements must be submitted as part of the lead applicant's CSRIF application.

The lead applicant must be an eligible applicant and will be responsible for managing the project and meeting all the terms and conditions associated with receiving the grant funding, including entering into the transfer payment agreement (**TPA**) with the Ministry and maintaining records and reporting if the application is successful. An applicant can only be the lead on one application under Stream 2.

Eligible Projects

To be an eligible project for Stream 2, the project must:

- Occur in the Province of Ontario.
- Be for the construction of a new or replacement sport or recreation facility/space or other community facility/space that offers sport or recreation programming.
- Be for a community facility/space in Ontario that is open primarily for use by the public and that will continue to be open primarily for use by the public upon the completion of the project.
- Be submitted by an applicant that meets the eligibility requirements.
- Not be receiving any Ontario provincial funding for the same project.

Examples of eligible Stream 2 projects include:

- Public infrastructure projects for which there is a demonstrated need, such as replacing an existing facility that has reached the end of its lifespan to meet community programming needs.
- Projects that make transformative investments in community sport or recreation infrastructure, including the repurposing or expansion of existing structures to create net new community sport or recreation facilities.
- Building new facilities that do not exist in the province/region that attract new programming, net new employment, retain jobs, and provide economic impact for local communities and businesses such as an increase in tourism, new high-performance facilities to attract and host large sporting events, create or increase collaboration with local businesses.
- **Signature New Builds**, which are defined as high-profile projects that will be recognized for innovative design, or for having significant community and economic impact, or iconic status within the sport sector. These projects will serve as symbols

of progress in sustainability and technology and will have a positive influence on the people of Ontario.

Eligible Project Expenses

For projects approved for Stream 2, eligible project expenses are those incurred for, and directly related to, specific project costs, incurred solely for the successful development and delivery of the project, and deemed to be reasonable by the Ministry, in its sole discretion.

Eligible project expenses include:

- Development costs associated with construction, such as the development of plans or permits for the project; note, however, that these costs are limited to 20 per cent of the total CSRIF grant.
- Project management costs, such as project-related fees paid to professionals, technical personnel, consultants, and contractors specifically engaged to undertake the project.
- Transportation and delivery costs.
- Fixed equipment and technology costs, such as large-scale equipment for installation (e.g., furnaces, boilers, sound equipment).
- Construction and/or renovation costs, including costs for project materials, labour for construction and/or installation.
- Ontario Builds signage costs to purchase, produce and install an Ontario Builds sign at the project site, which is a requirement for all approved projects.

Ineligible Project Expenses

Ineligible project expenses include:

- Capital costs related to the project that are incurred before the date on the Minister's letter approving CSRIF funds for the project.
- Non-fixed equipment (e.g., vehicles) costs.
- Any costs not directly paid by the recipient.
- Taxes, regardless of rebate eligibility.
- Legal, audit or interest fees.
- In-kind contributions.
- Long-term debt financing.
- Costs incurred for cancelled projects.
- Leasing or rental of equipment costs not directly related to the capital project.

- Costs associated with ongoing operating expenses, including administrative costs, current/existing staff salaries, employee benefits, rent and utilities.
- Costs associated with the operation of capital assets.
- Costs associated with routine facility/property maintenance.
- Costs associated with program delivery.
- Costs associated with the purchasing and/or acquisition of land.
- Costs associated with developing the business case(s) for the purposes of applying for and obtaining CSRIF funds.
- Costs associated with leasing land, buildings, fixtures and equipment (except the temporary rental of equipment directly related to completing the capital project).
- Costs associated with fundraising.
- Costs associated with recipient travel.
- Costs associated with construction or renovation that will not result in the creation of net new sport or recreation facilities.
- Any other costs, as determined by the Ministry from time to time and in its sole discretion, to be ineligible project expenses.

Funding Amounts and Terms

Eligible applicants may apply to the Ministry under Stream 2 for project funding up to \$10 million.

Provincial Cost Sharing

The CSRIF is a cost-sharing program where the provincial contribution to the project will vary based on the eligible applicant type:

- Municipalities, local services boards, and not-for-profit organizations can request up to 50 per cent of eligible project costs.
- Indigenous organizations and communities (as defined in [Eligible Applicants](#) above) can request a provincial contribution of up to 90 per cent of eligible project costs.
- For-profit organizations can request up to 25 per cent of eligible project costs.

Successful recipients (and their partners, if applicable) must cover the remaining project expenses.

No other Ontario provincial funding can be used towards the project.

Special Consideration

Under unique and exceptional circumstances, the Ministry may consider a provincial contribution of up to 70 per cent of eligible project costs for not-for-profit organizations, local services boards or municipalities with a population of less than 20,000.

Additionally, for Signature New Builds, the Ministry may consider a provincial contribution over \$10 million.

To request either of these special considerations, the applicant will be required to submit a Request for Special Consideration form with a strong rationale that justifies the request with the specific community needs and benefits clearly stated. The Request for Special Consideration form is available through TPON.

Terms of Funding

Approved projects must be completed with all eligible project expenses incurred no later than March 31, 2027.

CSRIF funds will be paid in installments based on a payment schedule that will be determined using project deliverables. A 10 per cent holdback of the funds will be released upon the completion of the project and the Ministry's satisfactory review of the recipient's final report.

Stage One: Completeness and Eligibility Confirmation

To be considered in the assessment process, an application must:

- **Be complete with all required supporting documentation**, as described in [Required Documents](#) section and the Application Checklist ([Appendix A](#)) and received with the application submission;
- **Be submitted by an eligible applicant** as defined in the [Eligibility Requirements](#) section; and
- **Meet project eligibility criteria** as defined in the [Eligibility Requirements](#) section.

To determine compliance and suitability with the CSRIF criteria, the Ministry will:

- Confirm eligibility and undertake due diligence checks for all applicants;
- Confirm the project meets basic CSRIF requirements and is achievable within the program timelines; and
- Undertake a risk assessment and financial assessment of the applicant to confirm their capacity to manage the proposed project.

It is up to applicants to ensure they have complied with all program requirements and provide all necessary documentation.

Incomplete and/or ineligible applications will not continue to Stage Two.

Stage Two: Application Assessment

During the second stage of the assessment process, the Ministry will assess all eligible applications.

Applications will be measured against the following criteria:

- Community Need
- Community Support
- Economic Impact
- Addresses a Gap in Services
- Operating/Financial Capacity
- Value For Money

These are described below in more detail. It is the responsibility of the applicant to ensure that their application provides sufficient detail and information to demonstrate the project's alignment with each criteria.

Applications that fail to meet a minimum threshold will not be considered for funding.

Assessment Criteria Details

Community Need

Projects should clearly address a defined community sport or recreation need or priority. Applicants should clearly state the need and how it was identified as well as the anticipated outcomes of the project. The information provided should be detailed and speak to the importance of the project in addressing specified outcomes.

Community Support

Applicants should demonstrate that there is support in the community for the proposed project, including details of community/stakeholder meetings, project partnerships, and confirmed/anticipated user groups for the facility.

Economic Impact

Applicants should demonstrate the economic impact the project will have in the community, region, and/or province. The application should speak to the creation of jobs (temporary or permanent) as a direct result of the project. The applicant should also speak to any tourism, sport hosting, operational cost-savings, and direct or indirect economic impacts that are anticipated because of the project.

Addresses a Gap in Services

Projects should address a clearly defined gap in services. Applicants should demonstrate that similar services are not available within a reasonable distance and/or that this project will remove, reduce, or prevent other barriers to participation in the community. This will differ between rural and urban areas, and applicants are responsible to provide evidence with respect to the uniqueness of their project.

Operating/Financial Capacity

Applicants should demonstrate comprehensive long-term plans for operating and maintaining the facility. This includes demonstrating financial capacity to support operations without seeking additional government support. Applications should include information on available resources and anticipated costs (e.g., staffing requirements, future maintenance).

Applicants should demonstrate capacity to undertake and complete the project within the timeframe of the program. This includes demonstrating sufficient financial and human resources to support the project. Applications should clearly demonstrate project readiness (e.g., agreements between project partners, details of design work, expected completion dates), and identify potential risks and mitigation strategies.

Value for Money

Projects should represent good value for money with funding requests clearly aligned with demonstrated financial need. Applicants should demonstrate that projects will be carried out in the most efficient manner possible, using appropriate procurement processes and maximizing individuals and/or communities served. Applicants should present clear justification for all costs, and how costs relate to meeting outcomes. Services to be provided should relate clearly and directly to established community needs, and service duplication should be avoided. Applicants should demonstrate

considerations taken to identify cost-effective options for the project with consideration of life cycle costs, energy efficiency, and operational savings where possible.

Notification, Confirmation and Accountability

Notification

The Ministry will inform each applicant in writing of its funding decision. Decisions at the time of notification are considered final, and there is no appeal process for the CSRIF program.

Confirmation

Successful applicants will be provided a conditional letter setting out the grant amount with funding contingent on written confirmation that project financing has been secured by the successful applicant from all identified sources. The Ministry may also request from the successful applicant additional documentation or information prior to entering into the TPA with the successful applicant.

Accountability

To receive the funds for its project, the successful applicant will be required to:

- Sign a TPA with the Ministry, which will outline the terms and conditions for the receipt of the funds; and will, amongst other terms and conditions, require the recipient of the funds to be in compliance with, and to continue to comply with, all federal and provincial laws and regulations, all municipal by-laws, and any other orders, rules and by-laws related to any aspect of the project, the funds, or both.
- Provide a Certificate of Insurance that indicates the recipient carries at least \$5 million commercial general liability insurance coverage for the duration of the TPA and add “His Majesty the King in right of Ontario, His ministers, agents, appointees and employees” as an Additional Insured on this coverage before the TPA can be executed.
- Install and display Ontario Builds signage at the project site throughout the duration of the project.
- Report back to the Ministry on the use of the funds, project stage deliverables and outcomes achieved, including the submission of interim reports, a final expenditure report, a final work plan report, a certificate of completion, a building evaluation and inspection, an audited financial schedule, invoices, receipts and proof of payment of

eligible project expenses and any other reports or information the Ministry may require.

- Permit the Ministry to verify/audit information submitted (at the discretion of the Ministry) to ensure that it is complete and accurate, and that the funds were used for the purpose(s) intended.

Recipients will:

- Be accountable to the Ministry for all funds and project components and will be the final decision-making authority among partners (if applicable) for the project under the TPA.
- Manage their project plan to meet financial and accountability reporting requirements and deliverables, as identified in the TPA.
- Be responsible for measuring results and reporting on their performance as required by their TPA.

Disclaimer

The CSRIF is a discretionary and non-entitlement program. Even if an applicant has submitted a complete application and met all program criteria, there is no guarantee that the applicant will be approved for funding. The Ministry reserves the right to fund or not fund applications submitted to the program. For those projects approved for the program, the Ministry's decision on what percentage of provincial contribution may be made towards the eligible project costs of a project will depend on a number of factors, including the type of applicant, project feasibility and the availability of funds in the program. There is no appeal process for unsuccessful applicants to the program.

The Ministry reserves the right to impose any terms and conditions in the TPA that it deems reasonable in connection with disbursing funding under this program.

Funds may be rescinded or recovered when the applicant is in violation of the TPA, or where the applicant indicates to the Ministry that they no longer need the grant or cannot complete the activities of the project.

Duty to Consult

Applicants should be aware that the decision to fund a project may give rise to the Government of Ontario's duty to consult with Indigenous communities if the project could have an adverse impact on established or asserted Aboriginal or treaty rights. The consultation process may result in accommodation which may alter the project or a

request that the applicant undertake delegated procedural aspects of consultation activities. The responsibility for ensuring the duty to consult Indigenous communities is fulfilled remains with the Government of Ontario.

Freedom of Information and Protection of Privacy Act

Applicants should be aware that Government of Ontario institutions are bound by the *Freedom of Information and Protection of Privacy Act*, R.S.O. 1990, C. F. 31 (**FIPPA**) and any information provided to the Ministry in connection with an application may be subject to disclosure in accordance with the FIPPA.

If an applicant believes that any of the information it submits in connection with its application is confidential and wishes to protect the confidentiality of such information, the applicant should clearly mark the information “confidential.” If the Ministry receives a request for access to the information marked “confidential”, the Ministry will contact the applicant so that it may, if it wishes, make representations concerning the release of the requested information. Marking the information “confidential” does not mean that the information will not be released if and as required under the FIPPA.

Applicants are advised that the names and addresses of organizations awarded grants, the amount of the grant awarded, and the purpose for which grants are awarded is information made available to the public.
