### **3. General information**

#### **Effective Date**

The effective date of filing for every return and notice received under the CIA shall be the date assigned by the computer system that the Ministry has established for filings (section 10 of the General Regulation under the CIA).

#### **Verification**

An Initial Return and Notice of Change must be verified by the certificate of an officer or director of the corporation, or by an individual who has been authorized by the directors of the corporation to verify the return or notice and who has knowledge of the affairs of the corporation (subsection 5 (1) of the CIA).

#### **Notice of Change**

Subject to subsections 4 (2.1), (3), (4) and (5) of the CIA, corporations must file a Notice of Change for every change in the information filed under the CIA, within 15 days after the day the change takes place (subsection 4 (1) of the CIA).

For example, corporations must report any change to the following information:

- Address of the corporation’s head or registered office
- Director information
- Five most senior officer information

#### **Changes to Administrative Information**

The corporation’s official email address and NAICS code (see below – NAICS Code) are not shown on the public record.

This administrative information is collected under the Business Regulation Reform Act, 1994.

Corporations must notify the Ministry of any changes to its official email address or NAICS by using the Initial Return, Notice of Change or Annual Return filings where applicable (see [Notice – CIA – Filing an Annual Return](#)).

However, changes to this administrative information are not considered an Initial Return, Notice of Change or Annual Return, as applicable, for the purposes of the CIA.

## **NAICS Code**

The North American Industry Classification System (NAICS) code is a 2 to 6 digit number based on the main activity of your corporation or other entity. You must select the code that best describes the main activity of your corporation or other entity. For example, a code for a hair salon could be “812116 – unisex hair stylist shops”. This information is collected for administrative purposes for corporations and may be shared with other government bodies for the purpose of administering their programs under the authority of the Business Regulation Reform Act, 1994; it does not appear on the public record. However, the NAICS code is also required under the Business Names Act and Limited Partnerships Act, in which case the NAICS code does appear on the public record.

If you are filing online, you may type the word associated with your main activity and the electronic business registration system will provide a code that you may select to complete that field. To view a complete list of NAICS codes please visit Statistic Canada’s website at: <https://www150.statcan.gc.ca/n1/en/catalogue/12-501-X>.

If you are filing by mail, please refer to the list of primary activities from NAICS (see above link) that best describes your primary activity and then enter your primary activity code in the paper form.

## **Single Name**

If your legal name is a single name (where your culture has a tradition of single names) and you need to enter that single name on a form, please call ServiceOntario at 416-314-8880 or toll-free at 1-800-361-3223 for more information.

## **Penalties**

Sections 13 and 14 of the CIA provide penalties for contravening the CIA.

Subsection 18 (1) of the CIA provides that a corporation that is in default of a requirement under the CIA that has unpaid fines or penalties is not capable of maintaining a proceeding in a court in Ontario in respect of the business carried on by the corporation except with leave of the court.

## **Legal Advice**

Please be advised that the Ministry **cannot** give legal advice. For further assistance or legal information, please consult private legal counsel.

If you need a lawyer, you may wish to contact the Law Society Referral Service (LSRS). The LSRS is a program of the Law Society of Ontario which offers up to one half-hour of free legal consultation.
