1. Introduction

The Ontario Provincial Police (OPP) requires a Tow and Storage Service Operator (TSSO) to submit an ON00297 Tow and Storage Service Operator Application to be considered for the OPP Provincial Tow Program (PTP). Participation in the PTP is voluntary.

A TSSO, by agreeing to participate in the program, does not establish a contractual relationship with the OPP and is not acting as an agent for the OPP when performing services. The Provincial Tow Program Agreement (PTPA) contains terms and conditions that a TSSO agrees to comply with in order to maintain their inclusion in the PTP.
