## What You Need to Know Before You Apply

### Before Filling Out the Application

1. Review the Francophone Community Grants Program 2024-25 Guidelines in full.
2. Consult your [Regional Development Advisor \(Advisor\)](#).
  - The Advisor can help determine if your organization, project and expenses are eligible.
  - The Advisor must be consulted at least two (2) weeks before the submission deadline.
  - You will be asked in your application form to indicate whether you consulted your Advisor about your proposed project.
3. Attend one of our two [online information sessions](#) (end of January 2024) to learn about the grant program and the application process, and to ask questions you may have after reading the guidelines.

### Program Overview

#### Purpose and Objectives

The Francophone Community Grants Program (FCGP) supports the cultural and socio-economic vitality of Franco-Ontarians. The program funds projects that meet at least one of the following objectives:

1. Strengthen the capacity of organizations and/or businesses to provide products and services to Francophones in the province
2. Promote the recruitment and/or training of francophone/bilingual staff
3. Provide opportunities to celebrate and foster understanding of Ontario's Francophonie

**IMPORTANT:** The FCGP is a discretionary, non-entitlement grant program. Applications are assessed through a competitive process based on their fit with the Program's objectives, eligibility criteria, as well as the overall demand for Program funds in a given year. Therefore, **the Ministry of Francophone Affairs (the ministry) cannot guarantee funding to all applicants, nor can it ensure that the total amount requested by successful applicants will be granted.**

**Note:** The FCGP is intended to support projects that do not already fall within the scope of core funding that an applicant organization might be receiving from another Ontario government ministry or agency.

Projects that were funded under a previous edition of the FCGP, but that continue to be developed to serve new participants or new regions, may be considered for new funding, provided that the organization can demonstrate that it successfully completed the previous edition(s) of the project, with a significant and quantifiable positive impact for Franco-Ontarians.

## Deadline for Submissions

All FCGP applications must be completed, validated and submitted through the Transfer Payment Ontario System (TPON) by no later than 5:00 p.m. (Eastern Standard Time) on **Monday, March 11, 2024**.

We strongly recommend you submit your application at least five (5) business days prior to the deadline to avoid any technical issues, since application forms and supporting documents submitted after this date will not be considered.

## Important Information Regarding Application Submission

Type your responses directly into your application form. Do NOT cut and paste text, i.e. do NOT take text from another document and copy it into the official application form as this may cause technical problems that will prevent your application from being properly submitted to the TPON system. **It is your responsibility to ensure that your funding application has been successfully completed and uploaded correctly to the TPON system.**

Before uploading your application form, click on the “Validate” button. A pop-up dialogue box will appear confirming if the form has been filled out correctly (“Form validated successfully”) or if changes have to be made. If required, make the necessary changes and validate the form again. Once validation is successful, save the form on your computer and upload it to the TPON system.

**NOTE:** You should receive a confirmation notice by email from TPON **within 24 hours** of submitting your application. If you do not receive such a confirmation notice, your application may not have been properly submitted to the TPON system. Please contact [Transfer Payment Ontario Client Care](#) and your [Regional Development Advisor](#) by email as soon as possible, and TPON Client Care will assist you with any technical difficulties to ensure that the ministry receives your application in due form by the deadline. If you do not do so, your application may not be received by the ministry on time and thus may not be considered for funding.

## Funding Status Notification

Every effort will be made to notify applicants in July 2024.

## How to Apply

The Transfer Payment Ontario (TPON) system is your one-window access to apply for funding, to check the status of your application and to submit reports.

The first step is to [create a My Ontario account](#) if you do not already have one.

Please refer to the page [Ontario.ca/getfunding](https://ontario.ca/getfunding) and follow the steps in order to access the Transfer Payment Ontario system.

We recommend you register your organization and submit your request to access Transfer Payment Ontario well in advance of the program submission deadline. This will ensure you can submit your funding request on time.

**NOTE:** TPON requires Adobe Acrobat Reader to fill out the PDF application form. Adobe Acrobat Pro is not compatible with TPON.

## Transfer Payment Ontario Client Care

Technical questions related to TPON must be directed to Transfer Payment Ontario Client Care. Monday - Friday 8:30 a.m. to 5:00 p.m. (EST, excluding statutory and government holidays)

- Telephone: 416-325-6691 or 1-855-216-3090
- TTY/Teletypewriter (for the hearing impaired): 416-325-3408 / Toll Free: 1-800-268-7095
- Email: [TPONCC@ontario.ca](mailto:TPONCC@ontario.ca)

## Application Limit

**Only one application** per organization may be submitted to the 2024-25 Francophone Community Grants Program, regardless of the Stream. (Do not create an application under both the Economic Development *and* the Community and Culture Streams.)

There can be **only one applicant** organization per project, i.e. partnering organizations may not each submit an application to the 2024-25 Francophone Community Grants Program for the same project.

Also note that the Ministry of Francophone Affairs **cannot** fund the same project in any given fiscal year under both the Francophone Community Grants Program AND the Cooperation and Exchange Agreement with Respect to the Francophonie between Ontario and Quebec, whether the application to each program is presented by the same organization or by two different organizations.

## Project Implementation Timeline

Projects must be implemented between the date of the Minister's letter approving the funds for the project (**July 2024**) and the end of government fiscal year (**March 31, 2025**).

Ensure, in your application form, that your work plan only includes project activities that are eligible to be funded, keeping in mind the above dates.

## Use of Funds

If your application is successful, the period for eligible expenses **will begin on the date of the Minister's letter approving funding for the project and will end on March 31, 2025**.

All eligible project expenses must be incurred (i.e. charged to your organization and supported by an invoice) during this period for activities taking place within this same eligible project period. Any expenses incurred outside this period are not eligible and will not be funded. No exceptions. No extensions to spend funds beyond March 31, 2025 will be granted.

## Applicant Eligibility Requirements

Applications that fail to meet any of the eligibility requirements listed below will be deemed ineligible and will not be considered. Consult with your [Regional Development Advisor](#) to confirm that your organization, project and expenses are eligible.

To apply to the Program under the Economic Development Stream, you must:

All information provided must be relevant to the proposed project, be accurate and up-to-date, realistic and achievable within the time and budgetary project parameters.

## **Section H (Project Budget)**

- Applicants are required to provide a detailed budget for their proposed initiative.
- All budget items (expenses and contributions) must be in cash for the Economic Development Stream projects (no in-kind).

- All expenses must be reasonable, well supported and justified and must directly relate to the Project -- include only eligible expenses in the project budget.
- All contributions must be confirmed by way of a commitment letter from each partner organization and/or funder at the time of submission of the application.

**IMPORTANT:**

- Review the Expenses Criteria carefully before completing this section. It is also recommended that you contact your [Regional Development Advisor](#) if you have questions.

## Step-by-Step

**Step 1:** Go to **TABLE A. ELIGIBLE EXPENSES**.

**Step 2:** Identify the **Expense Categories** in Column 1 in which you anticipate incurring **cash** expenses to ensure the success of your project.

The line items are based on the [Eligible Expense Categories](#) in this guide.

All expenses must be in cash.

**Step 3:** For each expense category identified in **Step 2**, provide a breakdown of the individual expenses in Column 2 (**Description**). Be sure to include:

- the good(s) or service(s) to be purchased;
- the dollar (\$) value or rate of each item or service; and
- the quantity (number of items, hours, etc.)

For example, for hourly wages or fees for service, the hourly rate (wage, rental, etc.) and the number of hours required:

- Renée Smith (facilitator of workshop 1): \$75.00 / hour \* 3 hours = \$225
- Loan of audio-visual equipment: \$25/hour \* 3 hours = \$75

TOTAL: \$300

**Step 4:** In the third column (**Amount**), enter the amount of each expense.

**Step 5:** Enter the total amount of all eligible cash expenses in Column 3 (**Amount**) on the **Total Eligible Cash Expenses** line in Table A.

**Total Eligible Cash Expenses in Table A must equal Total Cash Contributions in Table B.**

**Step 6:** Go to **TABLE B. CONTRIBUTIONS**

**Step 7:** **Francophone Community Grants Program**

In the first row, last column, enter the amount of funding you wish to request from the Province. This amount must be less than or equal to the maximum eligible grant amount indicated in the [General Funding Conditions](#) section.

**Step 8: Additional Cash Contributions**

Continue in Column 1 to enter the **Source** of each confirmed **cash** contribution to your project, including other grants and **cash** contributions from partner organizations.

Please indicate:

- the name of the funder and/or partner
- the name of the funding program (in the case of funders)

**Step 9:** In Column 2 (**Description**), provide a breakdown for each additional contribution, if applicable.

**Step 10:** In Column 3 (**Amount**), enter the dollar amount of each additional contribution.

**Step 11:** Enter the total amount of all cash contributions in Column 3 (**Amount**) on the **Total Cash Contributions** line in Table B.

**Total Cash Contributions in Table B must equal Total Eligible Cash Expenses in Table A.**

## Evaluation Process and Assessment Criteria

Each application deemed complete and eligible will be scored based on a set of technical evaluation criteria (see below). The score is a measure of how well, among other things, the project:

- aligns with the [Purpose and Objectives](#) of the Francophone Community Grants Program;
- creates added value for the francophone community, their organization and the Province;
- has clearly defined outcomes with measurable and relevant performance metrics; and
- is carefully thought out and supported by the necessary financial and material resources.

Technical Evaluation Criteria	Scoring Weight
Organizational Capacity, Resources and Planning (Sections A, D, F, H and I + Financial Statements)	35%

Project Scope, Relevance and Impact (Sections A, D, E, F, and G)	45%
Budget and Financial Feasibility of the Project (Sections H and I)	20%
TOTAL	100%

The final selection of projects will depend on the volume of funding requests and the quality of the submissions as well as the fit of individual projects with the Francophone Community Grants Program purpose and objectives. The ministry may also consider other factors, such as regional distribution or the representation of priority groups (for example, smaller- versus larger-capacity organizations and businesses, rural vs. urban, etc.) and alignment with the Ontario government’s overarching priorities and objectives.

## Recipient Obligations

### Acknowledgement

Applicants are expected to comply with the Ontario Human Rights Code (the “Code”) and all other applicable laws. Failure to comply with the letter and spirit of the Code will render the applicant ineligible for a grant and, in the event a grant is made, liable to repay the grant in its entirety at the request of the ministry.

Applicants should be aware that Government of Ontario institutions are bound by the Freedom of Information and Protection of Privacy Act, R.S.O. 1990, c.F.31, as amended from time to time, and that any information provided to them in connection with their 2024-25 Francophone Community Grants Program application may be subject to disclosure in accordance with that Act. Applicants are advised that the names and addresses of organizations receiving grants, the amount of the grant awards and the purpose for which grants are awarded is information made available to the public.

### Successful Applications

If an application is successful, the recipient organization will be required to:

- Sign a Transfer Payment Agreement with the ministry, outlining the terms and conditions for receiving funding.
- Carry at least \$2 million commercial general liability insurance coverage for the recipient organization for the duration of the TPA and add “His Majesty the King in right of Ontario, his ministers, agents, appointees and employees” as the additional insured on this coverage before the TPA can be executed (refer to the **Sample Certificate of Insurance** available on the Government of Ontario’s [Central Forms Repository](#)).
- Report back to the ministry within 90 days following completion of the project regarding the use of funds, the goods, services or activities delivered, and outcomes achieved using the final report form.

- Permit the Province to verify/audit information submitted (at the discretion of the province) to ensure that it is complete and accurate and that funds were used for the purpose(s) intended.
- Agree that if the funds were not used or will not be used for the intended purpose(s), or if specified services were not delivered, or if the intended outcomes were not achieved, the province has the right at a future date to recover parts or all of the funds transferred.
- Obtain prior written consent from the ministry for any change to the event once funding is approved.
- Acknowledge Ontario's support in electronic and print media as part of a visibility campaign, and in a form and manner directed by the Province.

The ministry expects all grant recipients to comply with all federal, provincial and municipal laws and regulations (e.g., health and safety, environmental approvals, zoning by-laws, human rights, animal welfare, accessibility).

## Final Reporting Requirements (Recipients)

All recipients will be expected to upload the following documents in the **Submit Report to Ministry** section of Transfer Payment Ontario (TPON) as a part of the mandatory submission of a final report following project completion:

1. A complete, electronically signed 2024-25 Francophone Community Grants Program – Economic Development - Final Report form
2. A confirmed actual project budget, as well as a summary of all invoices for all actual project expenses. The summary should include the invoice date and expense amount (not including tax), the payee and a specific description of each expense.
3. Copies of all digital and print materials produced during project implementation, including those showing ministry recognition, as well as any survey instruments used. Please also provide links to any photos or videos taken of project activities, if available.
4. Results of any surveys, website and/or social media data analyses conducted before during and after the funding period in connection with the project
5. Any other details requested by the Province

Failure to provide a complete final report, with all required documents, may result in the retention of the final grant payment, and recovery of all or a portion of funding may be requested.

Failure to meet any reporting requirements may impact an organization's ability to receive future funding.
