Company Accessible Parking Permits

An Accessible Parking Permit (APP) may be issued to an Ontario company or organization for the use in vehicles they own or lease for the purpose of transporting people with disabilities provided they meet the eligibility criteria.

How can my company / organization get APPs for our vehicles?

Companies or organizations may apply for an accessible parking permit by completing the online form and attaching supporting documents through the online channel or by completing an application form and mailing documentation directly to the APP Services Office.

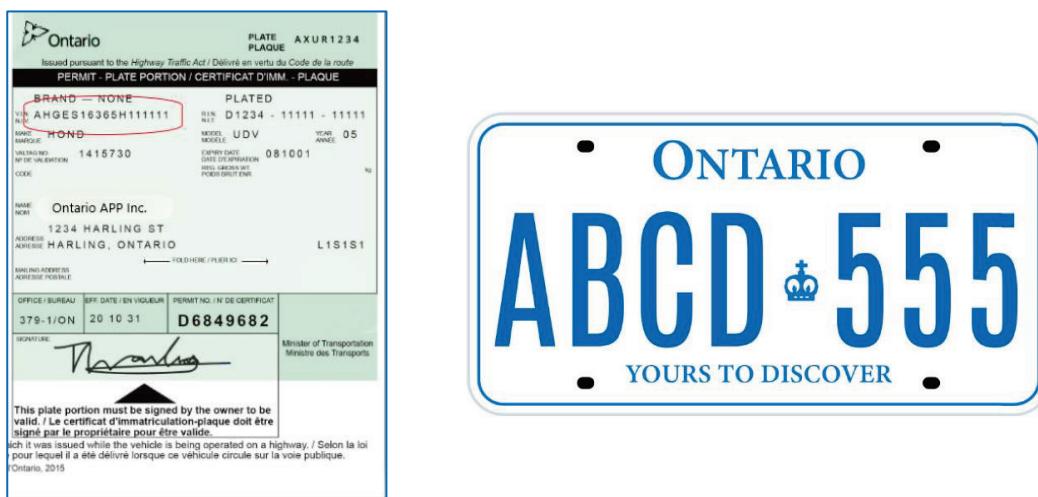

Note - ServiceOntario centres are not authorized to process applications for company permits. You must apply either online or by mail.

Frequently Asked Questions

How long are the APPs Valid for?

A company APP is valid for the length of time that the company will be providing transportation services to persons with a disability, up to a period of five years. Organization APPs are valid for the length of time that the organization anticipates that it will be providing transportation services to persons with a disability on a non-profit basis, up to a period of five years. The expiry date of any additional permit(s) added to a company's existing roster of permits will be automatically set to align with the company's existing permit expiry date(s).

How many APPs can my company/ organization have?

Companies/ organizations themselves are not limited to the number of APPs acquired for this purpose, however they may only obtain one permit per vehicle that transports a person (or persons) with a disability and that meets eligibility criteria.

How much does it cost to get an APP for my company/ organization vehicles?

There is no fee charged for the initial company permit, any additional requested permits or for any renewal or replacement of company permits.

Do vehicles have to be registered to the company/ organization in order to use the company APPs?

Yes, vehicles that are being used to pick up or transport individuals with a disability must be registered to your company or organization and must meet ServiceOntario's eligibility criteria; personal vehicles are not authorized to use company permits.

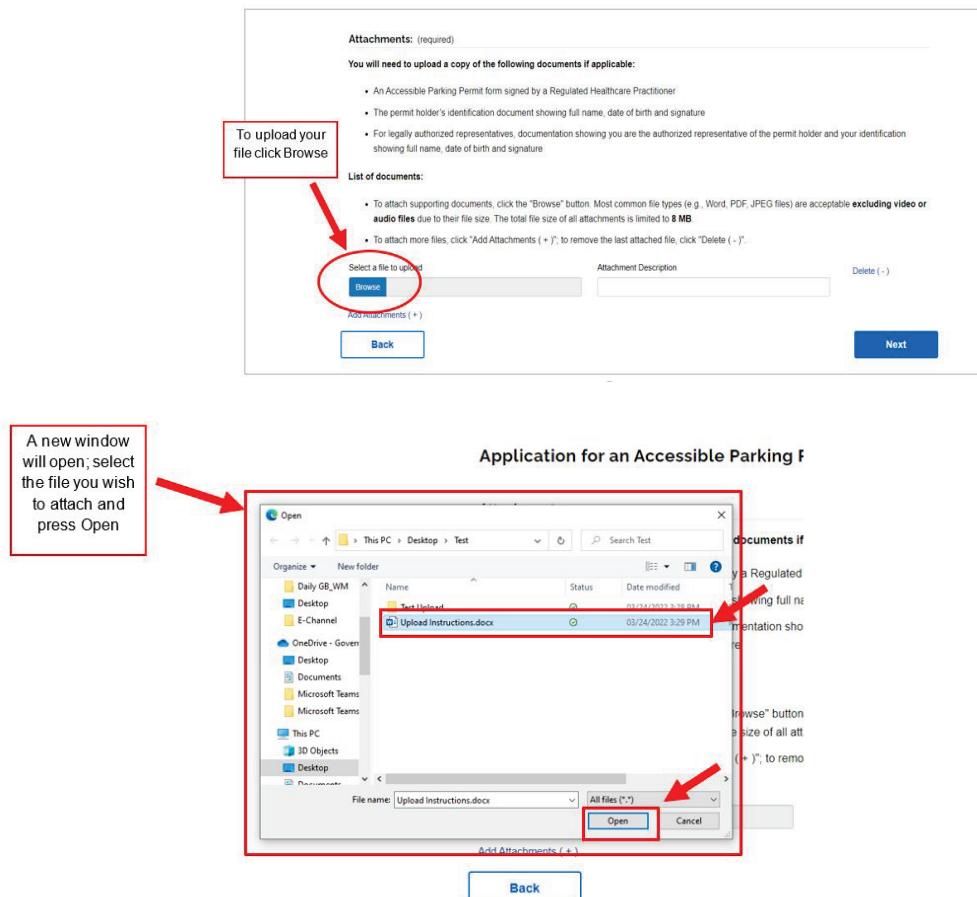

What happens if one of our company/ organization permits is stolen?

Please contact the Accessible Parking Permit Services Office at 1-800-267-0295 ext. 4828 to speak with our company subject matter expert to discuss next steps. You will be able to use the online form to obtain a replacement, however, you will require the name of the

police service and occurrence number that was given to you when you reported the permit stolen, and the licence plate/VIN associated with the permit.

How do I attach a document to my online application?

Save a copy of your document to your computer in a place you will remember. Click the button that says "Add File" – you will be asked to find the document you would like to attach in your files. Once you locate the document you would like to attach, select it, and click open. Your file is now embedded in the application.

Attachments: (required)
You will need to upload a copy of the following documents if applicable:

- An Accessible Parking Permit form signed by a Regulated Healthcare Practitioner
- The permit holder's identification document showing full name, date of birth and signature
- For legally authorized representatives, documentation showing you are the authorized representative of the permit holder and your identification showing full name, date of birth and signature

List of documents:

- To attach supporting documents, click the "Browse" button. Most common file types (e.g., Word, PDF, JPEG files) are acceptable **excluding video or audio files** due to their file size. The total file size of all attachments is limited to **8 MB**.
- To attach more files, click "Add Attachments (+)". To remove the last attached file, click "Delete (-)".

What should I do if I've compressed my attachments and they still exceed the 20MB limit?

Don't worry – you can still submit your application. Attach what documents you can up to the 20MB limit then submit your application.

After submission, you will receive a confirmation email and number. Once you receive that email contact the the Accessible Parking Permit office by phone at 1-800-267-0295 ext. 4828 or (613) 545-4828 and we will walk you through the next steps for the remaining documentation you were unable to attach on your application. Please have your confirmation number available so we can reference your application.

Reminder – Misuse and Abuse

An accessible parking permit must be clearly displayed with the number and expiry date visible on your vehicle's sun visor or dashboard to park in an accessible parking space.

A company/organization vehicle may only use the accessible parking permit to park in an accessible parking space if they are transporting individuals with a disability. A company/organization charged and convicted of misusing or abusing an accessible parking permit could be fined up to \$5,000 under the *Highway Traffic Act* and the permit may be seized.
