Articles of Continuance under Ontario’s Not-for-Profit Corporations Act, 2010 (ONCA; also referred to as NFPCA) must be completed and filed to continue an extra-provincial corporation into Ontario under the ONCA (transfer out of the original jurisdiction). These articles are also required to continue Ontario corporations, other than co-operative corporations, under the ONCA. Filings must be made in the required form and format, and meet all requirements and technical specifications established by the Director. Upon continuance, the corporation becomes a not-for-profit corporation subject to the ONCA and regulations.

An extra-provincial corporation that wishes only to operate in Ontario (as opposed to continuing/transferring from another jurisdiction to Ontario) does not apply for Articles of Continuance. For more information on registration requirements for extra-provincial corporations seeking to operate or carry on business and other activities in Ontario, see [Notice – EPCA – Extra-Provincial Corporations Licences and Filings](#).

1. How to File Articles of Continuance Online

You can file Articles of Continuance online directly with the Ministry through ServiceOntario at our website www.ontario.ca/businessregistry.

You must use a valid and up-to-date ServiceOntario [online account](#) to complete and file this application electronically with ServiceOntario. You may save drafts prepared online for up to 90 days before filing; however, it is your responsibility to ensure that time sensitive documents such as Nuans reports are filed before they expire, and that requested effective dates are valid. ServiceOntario has no access to your drafts until the application is filed.

Note: The corporation must keep a properly executed version of the articles, including records related to an electronic signature if signed by electronic signature, at the corporation's registered office address in paper or electronic format and, if required by notice from the Director, provide a copy of the executed version, including any records related to an electronic signature, to the Director within the time period set out in the

3. Documents Issued by the Ministry

To file Articles of Continuance by mail, see below – File Articles of Continuance by Mail.

4. Supporting Documents – Additional Information

Nuans Name Search

An Ontario-biased or weighted Nuans name search report is required. The Nuans report is a list of existing corporate and business names, as well as trademarks, that are the same or similar to the name being proposed. It is the applicant’s responsibility to check the search report for similar or identical names and to obtain any consent that may be required. Otherwise, this may result in a lawsuit or the corporation may be the subject of a hearing under the ONCA (see [Notice – ONCA – Incorporating a Not-for-Profit Corporation](#)).

The Nuans report must be obtained from a private name search company. The Ministry does not provide this search. Suppliers of Nuans reports may be found online at www.yellowpages.ca under the heading “Searchers of Records” or you may visit Innovation, Science and Economic Development Canada’s Nuans site at www.nuans.com for a list of registered search houses that can assist you with obtaining a Nuans search report and filing your documents. A Canada (federal) biased Nuans name search is not acceptable.

The Nuans report cannot be dated more than 90 days prior to the filing of the articles. For example, articles received by the Ministry on November 28th could be supported by a Nuans name search report dated as early as August 30th, but not dated earlier. You may wish to allow for additional time because if the Nuans report has expired before the articles are endorsed, a valid Nuans report must be obtained to complete the filing. The proposed name searched, the Nuans reference number and the date of the Nuans report must be filed, and the Ministry will retrieve the report directly.

Certified Copy of the Incorporating Document

Articles of Continuance must be supported by a copy of the incorporating document, together with all amendments to the document, certified by the officer of the incorporating jurisdiction (in the case of an extra-provincial corporation) or the officer in Ontario (in the case of an Ontario corporation) who is authorized to do so.

Consents

Consents to a corporate name may be required under the ONCA and regulations.

Written consent from the PGT may be required in different circumstances: where the PGT has notified the Director that consent is required under section 26 of the Names and Filings Regulation under the ONCA; where a charitable corporation is making changes to its purposes under section 27 of the Names and Filings Regulation; or where certain prohibited and restricted words are included in the corporate name under section 2 of the Names and Filings Regulation. For more information, see below – Public Guardian and Trustee – Charities. The corporation is responsible for obtaining all necessary consents, retaining them at the registered office and providing them in accordance with any notice from the Director.

Additional Supporting Documents Required for Extra-Provincial Corporations

Legal Opinion

Articles of Continuance filed by an extra-provincial corporation from outside Canada must be accompanied by a legal opinion to the effect that the laws of the non-Canadian jurisdiction authorize the corporation to apply for continuance. The legal opinion must be from an individual lawyer (not a law clerk or law firm) qualified to practice in the non-Canadian jurisdiction, and it must be on letterhead paper, signed the lawyer. If the corporation is incorporated or continued under the laws of another Canadian jurisdiction, it does not need to obtain this legal opinion.

Letter of Satisfaction, Certificate of Continuance or Other Document

Articles of Continuance filed by an extra-provincial corporation must be supported by a letter of satisfaction, certificate of continuance or other document (e.g. authorization to continue) issued by the proper officer of the jurisdiction in which the corporation is

currently incorporated or continued, indicating that corporation is authorized under the laws of the jurisdiction to apply for Articles of Continuance in Ontario. Articles of Continuance do not have to be supported a letter of satisfaction, certificate of continuance or other document if there is no authority under the laws of the incorporating jurisdiction to issue any of the documents. In that case, the Articles of Continuance must be supported by a legal opinion of a lawyer qualified to practice in that jurisdiction indicating that there is no such authority.

Additional Supporting Documents Required for Ontario Corporations

Certified Copy of Special Resolution or Court Order

Articles of Continuance filed by an Ontario corporation must be supported by a certified copy of the special resolution authorizing the directors of the corporation to apply for a Certificate of Continuance

In the case of a social company as defined in the Corporations Act, the Articles must be supported by the above-noted special resolution or a certified copy of a court order, or a notarial copy of that certified copy of a court order, waiving the requirement for a special resolution (see section 2.1 of the Corporations Act).

“Social company” means a company that has objects (purposes) in whole or in part of a social nature (section 1 of the Corporations Act). Other terms commonly used to refer to social companies include “social club” and “social club with share.”

A social company that does not continue under the ONCA, the Business Corporations Act, or the Co-operative Corporations Act by the fifth anniversary of the day section 2.1 of the Corporations Act comes into force, will be dissolved on the day after that fifth anniversary.

5. General Information

Signature Requirements

The Articles of Continuance must be signed by two officers or directors, or an officer and a director, of the corporation.

Set out the name and position of the signatories (see Notice – Filing Methods and Requirements).

Single Name

If your legal name is a single name (where your culture has a tradition of single names) and you need to enter that single name on a form, please call ServiceOntario at 416-314-8880 or toll-free at 1-800-361-3223 for more information.

NAICS Code

The North American Industry Classification System (NAICS) code is a 2 to 6 digit number based on the main activity of your corporation or other entity. You must select the primary code that best describes the main activity of your corporation or other entity. For example, a code for providing community services could be “812117– community outreach”. This information is collected for administrative purposes for corporations and may be shared with other government bodies for the purpose of administering their programs under the authority of the Business Regulation Reform Act, 1994; it does not appear on the public record. However, the NAICS code is also required under the Business Names Act and Limited Partnerships Act, in which case the NAICS code does appear on the public record.

If you are filing online, you may type the word associated with your main activity and the electronic business registration system will provide a code that you may select to complete that field. To view a complete list of NAICS codes please visit Statistics Canada’s website at: <https://www150.statcan.gc.ca/n1/en/catalogue/12-501-X>

If you are filing in paper, please refer to the list of activities from NAICS (the above link) that best describes the primary activity and then indicate your primary activity code from the link in the form.

Charitable and Other Public Benefit Corporations

Public benefit corporations are a special type of not-for-profit corporation under ONCA, and special rules apply to them. Public benefit corporations include all charitable corporations and some non-charitable corporations that receive outside funding.

For more information, please see Notice – ONCA – Incorporating a Not-for-Profit Corporation.

Public Guardian and Trustee – Charities

Where a charitable corporation makes changes to its purposes in its Articles of Continuance, the articles are required to contain the following statement referred to in subsection 24 (1) of the Names and Filing Regulation:

All funds and other property held by the corporation immediately before the articles become effective or that are received subsequently by the corporation pursuant to any will, deed or other instrument made before the articles become effective, together with any income or other accretions to the funds or other property, will be applied only to the purposes of the corporation as they were immediately before the articles become effective.

In general terms, the statement provides that only funds and property received by the charitable corporation **after** the articles become effective can be applied to the amended purposes. If the articles do not include the statement, the written consent of

the Public Guardian and Trustee is required as provided in section 27 in the Names and Filings Regulation.

In addition, written consent of the PGT is required to file the articles where the PGT has notified the Director that consent is required under section 26 of the Names and Filings Regulation.

In relation to both charitable and non-charitable corporations, written consent of the PGT is required where the following words are to form part of the corporate name (section 2 of the Names and Filing Regulation):

- “Foundation” or “fondation”, if the word suggests that the corporation is a charity.
- “Charity”, “organisme de bienfaisance”, “charitable”, “caritative” or any variation of those words.

If the PGT’s written consent is required, the PGT may be contacted at (416) 326-1963 or PGT-Charities@ontario.ca. The PGT’s written consent should be obtained prior to filing articles.

For information about the duties and responsibilities of charitable corporations, see the PGT’s section of the Ministry of the Attorney General’s website at: <https://www.attorneygeneral.jus.gov.on.ca/english/family/pgt/charities/>

For general information about charities, please contact:

Ministry of the Attorney General
Office of the Public Guardian and Trustee

595 Bay Street, Suite 800
Toronto ON M5G 2M6
Telephone: (416) 326-1963 or toll-free in Ontario 1-800-366-0335

Required Statements

The corporation is required to confirm that it is to be continued under the ONCA to the same extent as if it had been incorporated under the ONCA. The corporation must also confirm that it has complied with subsection 114 (2) or 115 (4) of the ONCA, as applicable.

Legal Advice

Please be advised that the Ministry **cannot** give legal advice. For further assistance or legal information, please consult private legal counsel. If you need a lawyer, you may wish to contact the Law Society Referral Service (LSRS). The LSRS is a program of the Law Society of Ontario which offers up to one half-hour of free legal consultation. Information about how to be referred to a lawyer through the LSRS is available at www.lsrso.info. If you would like to be referred to a lawyer, you may submit a request to

the LSRS by completing the online request form at www.lawsocietyreferralservice.ca. Please refer to the ONCA for details governing not-for-profit corporations in Ontario. The ONCA is available at www.ontario.ca/laws.

6. Corporate Name

It is the responsibility of the corporation to ensure the name for an Ontario not-for-profit corporation complies with the ONCA and Name and Filings Regulation. For information on name requirements, see Notice – ONCA – Incorporating a Not-for-Profit Corporation.

If the corporation has ever operated in Ontario, before filing the Articles of Continuance, please ensure that you update any corporate name change by filing an amended licence under the Extra-Provincial Corporations Act or a Notice of Change under the Corporations Information Act, as applicable. For more information, see Notice – EPCA – Extra-Provincial Corporations Licences and Filings, or [Notice – CIA – Filing an Initial Return and Notice of Change – Extra-Provincial Corporations](#).

7. Directors

The directors manage or supervise the management of the activities and affairs of a not-for-profit corporation (section 21 of the ONCA). A corporation must have at least three directors (subsection 22 (1) of the ONCA).

The Articles of Continuance may set out a fixed number of directors or a minimum and maximum number of directors (floating board) (subsections 22 (2) and 22 (3) of the ONCA). Each director must be at least 18 years of age (subsection 23 (1) of the ONCA). A director of a corporation is not required to be a member of the corporation unless the by-laws provide otherwise (subsection 23 (2) of the ONCA).

8. Special Provisions

Special provisions deal with matters of corporate governance. Different special provisions are required for charitable and non-charitable corporations. For more information, see Notice – ONCA – Incorporating a Not-for-Profit Corporation.

9. Effective Date

When Articles of Continuance are filed with the Ministry, they are endorsed with a certificate and are effective on the date set out in the certificate in accordance with section 201 of the ONCA.

The date of any certificate issued will be the date the articles, other required documents (if any) and the required fee are received by the Ministry in accordance with signature and filing requirements under the ONCA, the regulations and the Director's requirements. You may request a date up to 30 days later than this date.

10. Ontario Corporation Number (OCN)

Upon continuance, the corporation will be assigned an OCN (unless the corporation previously operated in Ontario and already has an OCN).

The OCN is unique to the corporation. It cannot be transferred to another corporation, nor can a corporation change its OCN. When corporations amalgamate, the amalgamated corporation is assigned a new OCN.

If the corporation was previously assigned an OCN before applying for continuance, it is very important to provide it. For example, if the corporation previously operated Ontario, it would have received an OCN and must provide it when filing Articles of Continuance, along with the company key for that corporation; contact ServiceOntario for information on filing Articles of Continuance in these circumstances at 416-314-8880 or toll-free at 1-800-361-3223. Otherwise, a second OCN may be inadvertently assigned, which may lead to compliance action.
