Before completing this form, please make sure that you have the following information ready.

 - The date of the search report
 2. Administrative Information. This will not be shown on the public record.

Completing the Form

Contact Information

Please enter the full name, telephone number and email address of the contact person. This will not be shown on the public record. The ministry will contact this person for any questions related to this application, and documents related to this application will be sent to the contact person's email address.

Corporation Name

You can either propose a name for the corporation or request a number name. If you choose a name for your corporation instead of being assigned a number name, you will need an Ontario Nuans report. Before you get an Ontario Nuans report, you can do a free search in the ministry's records at Ontario.ca/BusinessRegistry to see if your proposed new name is being used by another corporation. You do not need a Nuans report for a number name.

Number Name

A number name is an automatically generated name made up of numbers assigned to you followed by "ONTARIO" and a legal element that you select. Example: 111111 ONTARIO INC. To request a number name, select Yes to the question "Will this corporation have a number name?" Then choose the legal element of your choice from the drop-down list.

Proposed Name

To request a proposed name, select "No" to the question "Will this corporation have a number name?". Then select whether the name of the corporation is in an English form only, a French form only, an English and a French form, or an English form and a French form which are equivalent but used separately. A Nuans name search is required for each form of the name (English, French, and English and French combined). When incorporating with both an English and French form of the name, a Nuans name search is required for each form of the name unless the English and French forms are identical and the legal element in the French form is the French version of the legal element in the English form. When the certificate of incorporation is issued, a forward slash [/] separating the English and French form will be inserted in the corporation name.

For example,

A name that is English only would be Green Institute Inc.

A name that is French only would be Institut Green Inc.

A name that is a combination of English and French would be Institut Green Institute Inc.

A name in English and a name in French that are equivalent but used separately would be Green Institute Inc./ Institut Green Inc.

Your proposed corporation name must contain a legal element and must be identical to the proposed name searched in Nuans. Indicate in this form the Nuans proposed name searched, the Nuans report reference number and the date the report was produced. You must keep the Nuans report at the corporation's registered office. Please do not send it with the form.

Legal Elements

The corporate name must include one of the following legal elements: "Limited", "Limitée", "Incorporated", "Incorporée" or "Corporation" or the corresponding abbreviations "Ltd.", "Ltée", "Inc." or "Corp."

Similar/Identical Names – Consents and Legal Opinion

It is the applicant's responsibility to check the Nuans search report for similar/identical names and to obtain any consent or legal opinion that may be required. You cannot incorporate with a name that is identical to the current or former name of another corporation whether in existence or not, unless (i) the other corporation dissolved or changed its name more than 10 years ago; or (ii) the other corporation was incorporated outside Ontario and has not carried on business in Ontario. There is an exception if the other corporation changed its name or dissolved, and the requirements of the Regulations are met. In this case, you will need a legal opinion.

Check the box if you are using an identical name and you have a legal opinion. Confirm that you have met all the requirements to use the identical name and provide the following information; name, telephone number, email and address of the lawyer providing the legal opinion and name of the law firm, if any. You must keep the legal opinion at the corporation's registered office address in case it is requested by the ministry. For more information, see the applicable Notice for details.

General Details

In this section, indicate the requested date of incorporation, the corporation's primary activity code and official email address.

Requested Date for Incorporation

The date of incorporation is the effective date that your corporation is incorporated. You must select a preferred date; however, the earliest effective date will be the date the application acceptable for filing is received by the ministry. You may choose a future date up to 30 calendar days later than the current date, as long as the Nuans Report date is valid. You cannot choose a past date. The Nuans report cannot be dated more than 90 days prior to the submission of the articles. For example, articles submitted on November 28 could be supported by a Nuans name search report dated as early as August 30, but not dated earlier. Allow enough time for the application to be received through the mail.

Primary Activity

Your primary activity is the main activity of your corporation. Please refer to the list of primary activities from the NAICS that best describes your primary activity and then indicate your primary activity code from the link in this form. This information will not appear in the public record and is collected for administrative purposes only.

Official Email Address

The corporation's official email will be used to communicate with the corporation and must be kept current. All official documents or notices and correspondence to the corporation that is the subject of this filing will be sent to this email address. The documents related to this application will be sent to the official email address of the corporation as well as to the email of the contact person indicated in Section 1 of this form. This information will not appear in the public record and is collected for administrative purposes only.

Registered Office Address

The address of the registered office of the corporation must be set out in full, including the street name, street or rural route number, municipality, province, country and the postal code. A post office box alone is not an acceptable address. If there is no street and number, indicate the lot and concession or lot and plan numbers. The registered office must be in Ontario.

Number of Directors

Please indicate if you are setting out a fixed number of directors or a minimum and maximum number of directors. You cannot select both options. The corporation is required to have at least one director under the *Business Corporations Act*.

Director Information

Directors must be individuals at least 18 years old. If you indicated 2 as the fixed number, you must provide the director information for 2 directors. If you indicated 3 as a minimum and 5 as a maximum, you must provide the information for either 3, 4, or 5 directors.

To complete the director information, please indicate the full name (first name, middle name and last name), and address for service of each of the directors. You may also provide an optional email address. If a director has an international address and the "Region" field is not applicable, please enter 'Parish,' 'County' or any other equivalent information in the "Region" field. This also applies to any international address in the form.

Resident Canadian

You must also indicate if the director is a resident Canadian.

Director Who is Not an Incorporator

A person listed as a director who is not an incorporator and therefore is not signing the articles of incorporation form is required to download the [Consent to Act as a First Director - Form Number 5260](#) and complete and sign the form. Keep the Consent to Act as a First Director form at the corporation's registered office address and be prepared to provide it in accordance with any notice from the ministry.
